CORONA DEL MAR

3728 Ocean Boulevard

4 Bed | 5 Bath | 4,268 Sq Ft | Offered at \$14,950,000

Rarely does an opportunity come along to own an iconic piece of architectural history in Corona del Mar. Known as the Big Spanish House, 3728 Ocean Boulevard is a spectacular example of old-world charm and modern conveniences seamlessly combined into an exceptional homestead. On an approximately 7200 square foot elevated corner lot, views from Laguna to Long Beach are abundant from the grassy front yard & throughout home. Built in the late 1920s, the 4-bedroom, 5-bath Mission Revival-style property maintains many of its original features: arched doorways, charming rooms, interior architecture & a landmark Norfolk pine that can be seen throughout Newport Beach and Laguna. The kitchen and charming breakfast nook feature windows to the large private back yard, where dining al fresco under the canopy of a beautiful, old tree is de rigeur for balmy evenings. The front living room is replete with picture windows & an original fireplace, servicing the stunning ocean views. A picturesque Master bed and bath offer a secluded living space with loads of charming built-ins. The bottom floor boasts a media and bonus room, full bath and two-car garage with storage. This home is in the heart of Corona del Mar, mere steps away from both Big and Little Corona beaches & just minutes from downtown CDM with its stylish shops, restaurants & award-winning schools nearby. This historic residence presents a singular combination of charm and luxury, offering an unparalleled opportunity for the discerning buyer.
