Business Journal Honors Dignitaries From Its 500, Book of Lists

The San Diego Business Journal capped off the publication of two annual products — its Book of Lists and its San Diego 500 issue — by hosting an event. The San Diego 500 is the Business Journal's special edition showcasing the 500 most influential business leaders in the area. The event was held on Jan. 30 in Balboa Park.

The venue was not the usual business networking spot. The event was held in the atrium of the San Diego Natural History Museum. With its dinosaur bones, fantastic fish and exhibits on plate tectonics, the museum specializes in another type of story, that of the earth beneath our feet.
