

# Hahn Loeser Celebrates a Century of Client Service

**Founding Principles**

Diversity and superior legal representation are the cornerstones of Hahn Loeser & Parks LLP. In 1920, our founding partners, marginalized in their ability to practice law or have their legal interests protected due to their religious affiliation, joined together to serve the legal needs of their community. Since then, Hahn Loeser has grown to be one of the top full-service law firms in the nation, with over 130 attorneys across six offices, serving clients across the country and around the world.

While our services have expanded, our core values have remained constant. Hahn Loeser believes in providing exceptional legal counsel, serving our communities, and fostering inclusion. Above all, we value our people who take great pride every day in serving the needs of our clients. Our people have developed a culture of excellence; unwaveringly focused on results exceeding client expectations.

**Committed to Serving California Clients**

Hahn Loeser opened its San Diego office to meet our clients’ expanding needs throughout California. We serve clients across a full range of services including complex commercial and business litigation, class action, real estate and title insurance litigation, defense of consumer litigation, trade secret and non-compete litigation, probate and trust litigation, estate planning and trust administration. Beyond our national experience in business, labor and employment, construction, creditors rights, and intellectual property, and trusts and estates, we represent our clients in issues unique to California, including the state’s community property status in guiding clients on wealth preservation and transfer, California’s Proposition 65, Unfair Competition Law, Consumer Legal Remedies Act, and the California Consumer Privacy Act among many other California laws and regulations. Our trusts and estates group focuses on estate planning, wealth transfer and preservation, business succession planning, trust administration, probate, and probate litigation for both fiduciaries and beneficiaries. We are proud of the results we have helped our clients achieve

**Committed to Serving the California Community**

One of the hallmarks of our Firm and our San Diego office is our strong ties to our community. Our highly regarded attorneys and dedicated staff are involved in numerous

philanthropic and community organizations. With attorneys and staff volunteering and serving on the boards for organizations such as Promises2Kids, the San Diego Volunteer Lawyer Program, the San Diego Bar Foundation, the Legal Aid Society of San Diego, and Feeding America, when Hahn Loeser’s San Diego office is not representing their clients in the courtroom, they are dedicating their time and resources to improving the lives of those most vulnerable in our community. To celebrate our 100th anniversary, we have launched our 100 Acts of Kindness initiative in January, giving back to the causes and non-profit organizations our attorneys and personnel are involved in and care deeply about.

**Preparing for Tomorrow**

Hahn Loeser has thrived for a century because of our pursuit of excellence. As our country faces an unprecedented global health and economic crisis, we are focused on supporting our clients as they navigate the challenges and intricate issues that arise. Our longevity gives us perspective, and our team-based approach provides our clients with the multi-dimensional insights that are essential during challenging times.

As we look to the future, we will stay focused on the same core values that our firm was built on 100 years ago – a commitment to our people and communities, a passion for excellence, results and client service that exceeds expectations.
