**ENGINEERING, ARCHITECTURE AND CONSTRUCTION**  
Promotion

**Rashmi Menon**

Burns & McDonnell names **Rashmi Menon** leader of the firm's California offices. She will lead a team of more than 250 engineering and construction professionals to deliver critical infrastructure projects in power, aviation, transit, federal and environmental markets.

**ENGINEERING**  
Promotion

**Sean Marcel**

The global engineering firm **Syska Hennessy** has promoted **Sean Marcel, PE**, to principal. Mr. Marcel serves as the managing director of the firm's San Diego office, and he also oversees and provides technical direction for regional and national projects. Recent examples include the Federal Inspection Station at San Diego International Airport, Long Beach Civic Center, and the Maintenance & Operations Complex at Palomar Community College in San Marcos. Mr. Marcel, who holds a B.S. in electrical engineering from Binghamton University in New York, first joined Syska in 2006. He started in the New York City office as a member of the firm's critical facilities group, and he transferred to the San Diego office in 2015.

**TECHNOLOGY**  
Promotion

**Ality Richardson**

Nashville, TN- **i3 Verticals** is proud to announce the promotion of **Ality Richardson** to Chief Executive Officer of i3 POS West Coast.

Scott Meriwether, COO of i3 Verticals said "Ality literally grew up in the point-of-sale business and has achieved goals many thought were impossible. Under her leadership, i3 POS is the leading provider of NCR equipment and dominant in the hospitality space."

Richardson is located in San Diego, California with offices up and down the west coast. Her grandfather was the founder of SDCR which eventually sold to i3 Verticals, a software development company with payments embedded. The west coast division has over 80 employees.
