 Operating expenses are the costs to run the hospital. The complexity and scope of care given and the efficiency of the hospital may affect this figure. To the best of our knowledge, this information is accurate as of press time. While every effort is made to ensure the accuracy and thoroughness of the list, omissions and typographical errors sometimes occur. Please send corrections or additions to the Research Department at the San Diego Business Journal, Eric Alderete, ealderete@sdbj.com. This list may not be reprinted in whole or in part without prior written permission from the editor. Some companies have declined to participate or did not return a survey by press time. It is not the intent of this list to endorse the participants or to imply a company's size or numerical rank indicates its quality.
 (1) Reported total number at the end of reporting period (2019) the most up-to-date information from the Office of Statewide Health Planning and Development).
 (2) as of December 31, 2019.
 (3) 2018 audit update
 (4) Listed as Pomerado Hospital on OSHPD
