## COMPANIES ON THE MOVE

IN SAN DIEGO

**DEVELOPMENT**  
New Hire

**Patricia Rice**

Computers 2 Kids (C2K), a nonprofit organization specializing in bridging the digital divide, is excited to announce **Patricia Rice** has joined the C2K Team as Development Officer.

"We are thrilled to have Patricia on board," said Ms. Pierre, CEO of Computers 2 Kids. "Her strong relationships with San Diego business leaders and the philanthropic community, as well as her experience securing significant donors, is a tremendous asset to our organization."

Rice brings over 20 years of experience in development and stewardship with several high-profile nonprofits, including the San Diego Symphony, Malashock Dance, The Chicano Federation, and most recently Big Brothers Big Sisters San Diego County.

In her role with Computers 2 Kids, Rice will support and advance strong, year-round relationships with crucial donor segments, including major donors, grant funders, foundations, and corporations.

**About C2K**

Computers 2 Kids provides computers to underprivileged children and families. Their services include access to resources, training, and technical support, intending to give children a higher chance for future educational success.

**Ms. Rice can be reached at price@c2sdk.org or (619) 794-7999. Stay up to date on the latest from C2K at www.c2k.org.**

**COMMERCIAL CONSTRUCTION**  
New Hires

**Tim Heinichen**

**John Schultz**

**Alexandria Johnstone**

**Prevost Construction** is excited to announce the recent hiring of **Tim Heinichen** as Senior Project Manager, **John Schultz** as Senior Superintendent, and **Alexandria Johnstone** as Project Coordinator for Prevost's Life Science Division.

Tim Heinichen joins Prevost with over 30 years of Project Management experience, including several projects in excess of \$10 million. Notable projects throughout Tim's career include a \$15.1 million Westgate Hotel tenant improvement and a \$21 million IBIS cGMP Oligonucleotide Laboratory, which earned an ABC's in Excellence in Construction Award, and included two class 10,000 cGMP clean FDA validated drug manufacturing areas.

John Schultz joins the team with 25 years of Superintendent experience, with project experience including life science facilities, hospitals and medical offices. Some significant projects from John's career include: DNAe, Takeda Pharmaceutical, FFF Enterprises, Ambrx, Inc., Integra Neurosciences and Scripps Cedar Medical Center, where he honed his craft in the life science and medical industry.

Prevost also welcomes Alexandria Johnstone as its newest Project Coordinator. Alexandria holds her Bachelor of Science in Business Management from San Diego State University, and she has spent the last few years working as a Senior Advisor for CRESA Global Inc., where she managed the construction process for projects.

"Prevost Construction is committed to hiring the best talent in the industry," said CEO Jamie Prevost. "Tim, John, and Alexandria are professionals bringing extensive expertise in a variety of complex project types, and I am confident that they will give our clients an amazing customer experience that they have come to expect."
