Congratulations
Daniel D'Orazi
Executive Vice President
and Head of Acquisitions
at Breakthrough Properties

Dan has been instrumental in Breakthrough's rapid transformation from a start-up company into a fully integrated life science real estate investment and development company. Dan's recent achievements at Breakthrough include helping lead over \$1 billion in capital raising and the acquisition of four major life science development and redevelopment projects on both the West and East Coasts, as well as leading efforts in emerging markets. We are fortunate to have Dan on our team and appreciate his leadership in building out the Breakthrough platform.

Congratulations Nick on being named a finalist for 40 Top Executives Under 40!

Genomic Life would like to congratulate Nick Bellanca for being selected as a finalist in San Diego Business Journal's 40 Next Top Business Leaders under 40. Nick is a founding member of Genomic Life (formerly Wamberg Genomic Advisors), and leads the growth and expansion of their group benefits division. Nick was instrumental in the creation of Genomic Life's unique flagship program, Cancer Guardian, and his team has helped to onboard over 350 employer clients who now make Cancer Guardian available as an employee benefit.

Genomic Life accelerates the transition to genomics to deliver a proactive health ecosystem, rooted in affordability and accessibility. Visionaries in genomics and growth-stage companies designed Cancer Guardian to enhance prevention and outcomes. This feature-rich product offers clinical-grade genomic testing and a team of experts who provide decision support on diagnosis and treatments, research leading specialists, and evaluate clinical trials and financial support eligibility. Genomic Life partners with brokers, insurers, and employers to offer their unique membership program that alleviates the burden of disease.
