A **55-Year History** of Creating Employment for People with Disabilities

At PRIDE Industries, we're shifting the paradigm of the high-performance workforce, showing the valuable contributions made by people with disabilities in their workplaces and in their communities every day. Since 1966, we've provided career training, employment placement, and on-the-job support to help thousands of people find their path to employment. And we've enabled hundreds of companies like **SeaWorld San Diego, San Diego Zoo, The Home Depot, Target, Dollar Tree, Albertson's**, and **Naval Base San Diego** to reach their inclusion goals and experience the bottom-line benefits of a diverse workforce.

Building an inclusive workforce, **one job at a time.**

THESE FLOWERS ARE BACK IN SEASON.

The Alzheimer's Association Walk to End Alzheimer's® is full of flowers, each carried by someone committed to ending this disease. Because like flowers, our participants don't stop when something's in their way. They keep raising awareness for a breakthrough in the fight against Alzheimer's and all other dementia. It's time to add your flower to the fight.
