New Hire

John M. Peters

Dowling & Yahnke Wealth Advisors is excited to announce **John M. Peters, CFA** has joined its team as a Lead Advisor. With over twelve years of experience in the financial services industry, John supports clients by managing high-net-worth portfolios and building sound financial plans. "I wanted to join an entrepreneurial, fiduciary-based practice that eliminates the conflicts of interest with which our industry is wrought. Dowling & Yahnke has a stellar reputation for client service and commitment to acting in client's best interests, which I have always admired." Prior to joining D&Y, John was a Senior Vice President and Portfolio Manager at a national private wealth advisory institution.

QDOBA
MEXICAN EATS®

RESTAURANT

Promotion

Karin Silk

QDOBA is proud to announce the promotion of **Karin Silk** to chief marketing officer. Since joining the company in 2018 as vice president of menu and off-premises, she has played a pivotal role in guiding the introduction of several strategic platforms for QDOBA, including the launch of QDOBA's line of chef-crafted Signature Eats, menu collaborations with culinary leaders like Impossible Foods and Cholula®, as well as an expanded Flavor Bar, featuring a collection of modern salsas, sauces and toppings for guests to customize their orders in over a billion ways. In her new position, she will oversee all of QDOBA's strategic marketing and digital initiatives, in addition to continuing her leadership of the menu and

off-premises sectors of the business, which include culinary strategy, third-party delivery partnerships and catering.

Prior to joining QDOBA, Silk served as senior vice president of marketing for Rubio's Restaurants, Inc. She also spent seven years with PepsiCo-Quaker Foods. She began her career with Deloitte Consulting, after earning her MBA from the Kellogg School of Management at Northwestern University and Bachelor of Arts from Bowdoin College.

Civil & Environmental Consultants, Inc.

ENGINEERING

New Hire

Darrell Thompson

CEC welcomes **Darrell Thompson**, vice president, an experienced environmental consultant and solid waste engineer specializing in landfill gas engineering, operations, and compliance. He brings 24 years of experience with projects in California. Darrell will lead CEC's effort to grow our client base and operations in California and across the western United States, further solidifying our coast-to-coast coverage. In his most recent role prior to CEC, Darrell oversaw a business unit comprising environmental consulting, engineering, field services, air quality permitting, compliance, renewable energy, and equipment for the landfill gas and leachate industry.
