REAL ESTATE

New Hire

Michelle Lucey

San Diego-based Sunrise Management – a multifamily industry leader which has specialized in the management of residential real estate since 1978 – has announced the appointment of Michelle Lucey as its new its chief people officer.

Lucey was most recently the corporate director of human resources at Excel Hotel Group, where she was charged with developing and executing human resource initiatives for a growing organization that owns and operates 24 select-service hotels across California and Colorado.

In her new role Lucey will be a core part of the Sunrise Management executive team, responsible for managing and directing the human resources department and leading the development and advancement of the company's business strategy and culture.

"Michelle's extensive expertise in all facets of human resources, from performance management to designing HR initiatives to talent acquisition, will be critical as we continue to expand our presence throughout the west," said Joe Greenblatt, president and CEO of Sunrise Management. "A solutions-oriented and pragmatic professional, her leadership, insight and strategic guidance will be fundamental to our company's continued growth."

With 20 years of human resources experience, Lucey was also director of human resources for Omni Hotels and Resorts as well as complex director of human resources for Hilton Worldwide. She was also an adjunct professor in the HR Certificate program at UC San Diego.

She earned a Master of Arts degree in clinical psychology from San Diego State University and a Bachelor of Arts degree in psychology from UC Santa Barbara. An active member of the Society of Human Resources Management (SHRM), she is an SPHR-Certified Senior Professional in Human Resources.
