HIRINGS, PROMOTIONS, BOARD MEMBERS AND SPECIAL ANNOUNCEMENTS IN SAN DIEGO

## COMMERCIAL REAL ESTATE

Promotion

Dan Broderick has been promoted to President, Americas Advisory, at Cushman & Wakefield. He also joins Cushman & Wakefield's Global Management Team (GMT). In addition to these appointments, Dan will also serve as President for the Southwest Region.

In his new role as President, Americas Advisory, Dan will oversee the delivery of brokerage services across all markets in North and South America at Cushman & Wakefield.

Dan previously served as President of the firm's West region. He was also responsible for the National Industrial Practice. Prior to that, Dan served in leadership positions at Cushman & Wakefield, including Regional Managing Principal of the Southwest Region.

Dan has been with Cushman & Wakefield for over 11 years, and prior to that he was an institutional capital markets broker. Dan holds a bachelor's degree in economics and psychology from Stanford University.

He also serves as a board member for Stanford Professionals In Real Estate (SPIRE) and San Diego Economic Development Corporation, and as an advisory board member for University of San Diego Burnham-Moores Center for Real Estate.

Dan has consistently been named to San Diego Business Journal's SD 500—Most Influential People in San Diego for several years.

## SMITHGROUP

### ARCHITECTURE

Announcement

**Chris Anderson**

Senior architectural designer Chris Anderson, AIA, LEED AP, has relocated to SmithGroup's San Diego office. With 27 years' experience, Chris has worked on a diverse array of Workplace, Higher Education, Aviation, Product Design and Science & Technology projects with some of the industry's most talented people, winning awards from AIA Los Angeles, Engineering News-Record and others. He is currently working with local community groups and clients on notable projects including Encinitas's Community Resource Center and TaylorMade's headquarters in Carlsbad. As a skilled leader and team-oriented adviser, Chris strives to pursue design excellence through his collaborative spirit, creativity and dedication.

### ENVIRONMENTAL

Promotion

**Dusty Ramsey**

Environmental Science Associates (ESA) announces that Dusty Ramsey has taken the helm as the firm's first female Information Technology (IT) Director. Supporting firmwide technology operations, this critical position allows for ESA's nationwide team of experts to efficiently collaborate and assist clients to the highest degree—while working from anywhere. Serving as ESA's IT Delivery Success Manager for the past three years, Ramsey has built her career in the AEC industry. Her experience includes using technology to deliver real-world projects for clients, as well as training personnel on the use of the ever-evolving software and applications available.

**Dusty Ramsey can be reached at [dramsey@esassoc.com](mailto:dramsey@esassoc.com)**
