

Don't Wait Until It's Too Late!

Imagine opening a Christmas gift to find a small Starbucks gift card. You might think, "The person who gave this gift is probably crazy busy like me." You don't want to be that person who gave it!

Now picture receiving a gift that is more personal, for you. It doesn't matter if you are the executive assistant, the event planner, shipping and receiving or CEO, a personal gift makes you feel appreciated and valued because it took someone time and effort.

Once we get to you know and your company, it's simple and easy! We relieve you of the stress and time while creating an effective custom gift strategy.

Building on more than 30 years of culinary excellence on the Orange County dining landscape, Prego Mediterranean has settled into its new home at The District at Tustin Legacy. Long-time supporters and new guests have been enjoying the lively bar area and grand dining room at the new location, where Chef Ugo Allesina continues to lead the culinary team. Prego owners Ruth and Tony Bedi

New Mediterranean-focused dishes include Seasonal Hummus of mushroom and truffle, sundried tomato and roasted garlic basil, served with house-made rustic flatbread; Golden Beet Salad with mixed baby greens, yellow beets, goat cheese and caramelized onions tossed in a balsamic reduction; and Lobster and Shrimp Stuffed Sole in a white wine, garlic, lemon and caper sauce.

Adding a splash of Mediterranean color to California, Prego Mediterranean features a lively exhibition kitchen, allowing diners to view the artful chefs creating their delicious dishes. A True “90 Point” Wine is in Laguna Beach

Finally, a first class “Napa Valley style” tasting room is opening its doors next to the Sawdust Festival in Laguna Beach this January. This is not an ordinary winery by any means. Frankly, it is like nothing else we’ve seen in Orange County. McClain Cellars is an amazing new winery from the Santa Ynez Valley. What makes them different from other wineries in Orange County is where the wine is made and where it comes from. Founded by Jason & Sofia McClain, McClain Cellars grows, harvests and makes all of their wine in the Santa Ynez Valley. After it is bottled and ready to release, they bring all the wine to Orange County where it is released to the public.

Their winemaker, Dean Guzman, who spent time working for Fess Parker, is an artist when it comes to creating a balanced wine that is truly amazing. McClain Cellars sets itself apart by combining amazing art and unique names with wines that rate at 90 and 91 points according to Wine Enthusiast magazine. The truly interesting thing about these ratings is that they are from McClain Cellars first release of their 2016 wines.

Until now, getting a bottle of McClain Cellars has only been available online at their website (www.mcclaincellars.com) or at a local tasting event. In January 2019, McClain Cellars is opening their doors in Laguna Beach. The new ad-

dress is in the HIVE at 849 Laguna Canyon Road, Laguna Beach, CA next to Kitchen in the Canyon and the Laguna Beach Beer Company. The new tasting room is going to be second to none. The McClain family is going all out to create a space to not only showcase their amazing wine but also offer Orange County a wine rafting experience that will soon become a local favorite. Their new tasting room will showcase all of their wines, music, charcuterie as well as an olive oil tasting and an artisan popcorn tasting. Until the grand opening, be sure to check them out online. They even offer free delivery in Orange County when ordering six or more bottles from their website.

McClain Cellars' guest reviews are off the charts. 5 out of 5 stars on Facebook and the same for Google. They are truly making a mark in Orange County and are

already one of the fastest growing labels in town. With wines like Sacred Love, Painted Dreams and the much sought after, Faithful Friend, McClain Cellars has made a mark that is here to stay.

Laguna Beach will never be the same again.
